Recent Customer Feedback

Supply and fit new skirting boards, fit some reclaimed architrave and fit laminate flooring in a bedroom.

10 / 10

Matt and his team have completed several jobs for us over the last two years. He was recommended to us by another trusted tradesman. We have been so impressed with his workmanship and professionalism. On this occasion it was Craig a team member who completed the last job, he did a grand job. Matt was still on hand to ensure all of our requirements were met.

We were very pleased with the work done. Matthew came when he said he would and followed up when some remedial plastering was required. The work was done efficiently and well tidied up when finished.
